

The Second ASEAN School of Magnetic Resonance Imaging Technology

“Physics and Technical Concepts of Magnetic Resonance Imaging”

In conjunction with

The 2016 Annual Conference of the Thai Society of Radiological Technologists (TSRT)

Date: 27-28 April 2016

Venue: A-One Hotel, Pattaya, Thailand

Language: English

Program:

April 27, 2016

Time	Topic
13.00-13.45	MRI applications in neuro-radiology I
13.45-14.30	MRI applications in neuro-radiology II
14.30-15.00	Tea Break
15.00-15.45	MRI applications in neuro-radiology III
15.45-16.30	MRI applications in neuro-radiology IV

April 28, 2016

Time	Topic
9.00-9.45	Clinical applications of MR Body Imaging I
9.45-10.30	Clinical applications of MR Body Imaging II
10.30-10.45	Tea Break
10.45-11.30	Clinical applications of MR Body Imaging III
11.30-12.15	Clinical applications of MR MSK Imaging I
12.15-13.00	Lunch
13.00-13.45	Clinical applications of MR MSK Imaging II
13.45-14.30	Clinical applications of MR MSK Imaging III
14.30-15.00	Tea Break
15.00-15.45	Clinical of applications MR Cardiac Imaging I
15.45-16.30	Clinical of applications MR Cardiac Imaging II
