

INVITAION

The rising hub
Of the west coast in 21st century
GUNSAN City

JBRTA is a world leader in education and research, and my goal is to build upon the traditions of the past to move the organization and its members into the future. In these times of rapid change, I will listen to our members about their needs and wants.

We will do our best to make good seminar to meet your expectation and hope we share information and also build good relationship through this opportunity.

President of JBRTA

Kim Eun Sung
