Hiroko NISHIDE

Conference president of the 77th annual meeting of the JSRT

It is my sincere pleasure to welcome you to the 77th scientific assembly and annual meeting of the Japanese Society of Radiological Technology (JSRT) at the Japan Radiology Congress (JRC) during April 15-18, 2021.

This meeting will be in a hybrid format that will be both virtual and physical. We welcome submissions of the latest information in medical imaging, multimodality imaging, image engineering, Artificial Intelligence, computer-aided detection/diagnosis, radiotherapy, radiation measurement, radiation protection, and informatics. **Please note that on-site presentation is in principle. However, in the case that you are not allowed to travel to Yokohama, a recorded presentation must be uploaded and we may ask you to provide some documents as a proof of travel ban or restrictions.**

Abstract* submission deadline: **October 23, 2020 at noon (JST)**

Other Important Dates:

- | | |
|-------------------------|--|
| ◇ December 1, 2020 | Access to Hotel Accommodation Site Opens |
| ◇ Mid December, 2020 | Notification of Paper Abstract Acceptance |
| ◇ Mid January, 2021 | Notification of presentation date and time |
| ◇ February 5 – 26, 2021 | Electronic poster (CyPos) Submission |

* The JSRT program committee will decide whether to accept your presentation based on your abstract (**max. 320 words**). All decisions are final.

Presentation Type:

There are two presentation types; Oral presentation and monitor presentation.

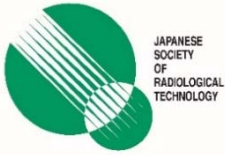

The oral presentation is a general presentation with 7-minute talk and 3-minute discussion.

The monitor presentation is a presentation using an electric poster. The presenter stands beside the monitor on which his/her electric poster (CyPos) appears and discusses the research with interested attendees in the monitor presentation session. The monitor presentation session lasts 30 minutes.

All presenters must submit an electronic poster (CyPos) written in English by the due date.
