

The 39th Japan Conference of Radiological Technologists (39JCRT) the 30th East Asia Congress of Radiological Technologists (30EACRT)

The 39th Japan Conference of Radiological Technologists (39JCRT) and the 30th East Asia Congress of Radiological Technologists (30EACRT) will be held from September 29th to October 1st, 2023 at Kumamoto-jo Hall in Kumamoto city. 39JCRT and 30EACRT are hosted by Japan Association of Radiological Technologists (JART) and Kumamoto Association of Radiological Technologists. The conference main theme is “**Technological innovation starting from the land of reconstruction**”. Educational topics and workshops in 39JCRT and 30EACRT will feature more than 25 aspects in the fields of education and radiological technologies. Well-known scientists will be invited for educational lectures, special lectures, keynotes and theme symposia. For further information about the 39JCRT and 30EACRT, please visit: <https://jcrt39.secd.net/en/index.html>

Conference Key-Words:

Medical Safety, Radiation Safety, Radiology Equipment Safety, Medical Imaging Management, Medical Imaging and Information, X-ray Imaging, Radiographic, Gastrointestinal Series, Angiography, Computed Tomography, Magnetic Resonance Imaging, Ultrasonography, Bone Density, Nuclear Medicine, Single Photon Emission Computed Tomography, Positron Emission Tomography, Radiation Therapy, Head and Neck Radiology, Chest Radiology, Abdominal Radiology, Bone and Soft Tissue Radiology, Cardiovascular Radiology, Mammography, Interpretation, Education, and Others

Important Date:

Abstract submission Deadline: **May 15, 2023**

Notice of acceptance: June 30, 2023

Registration Deadline: **July 31, 2023**

Registration Fees:

Early bird Registration fee (Before **July 31**): USD150 (including evening reception)

Regular Registration fee (After August 1): USD 200 (including evening reception)

Abstract Submission:

Please submit your title within 160 characters, and your abstract within **2000 characters (Strict adherence)** for proceedings of publication. The abstract should have the **Purpose** of your study, **Materials** and **Methods**, **Results**, and principal **Conclusion**. The length of the oral presentation and Q&A is 7 minutes and 3 minutes respectively. Presenters are required to submit PDF files. We will contact the presenters by e-mail regarding the submission method.

If you have any questions about the 30EACRT, feel free to ask the program committee (e-mail: 39jcrt+eacrt@gmail.com).
